

Product Information Sheet

ORANGE SOLV-GP

Water Soluble Solvent Cleaner & Carpet Spotter

Product

- ✓ Multi-purpose application
- ✓ Removes oils, grease, glue, light adhesives build-ups, chewing gum and inks
- ✓ Water soluble with cold or hot water, leaving surfaces clean and residue free
- ✓ Reduced environmental impact as product ingredients are natural and renewable

A powerful water-soluble solvent that is an alternative to strong petroleum, chlorinated or glycol ether solvents used for heavy duty cleaning and degreasing. The main applications for ORANGE SOLV-GP include grease and tar removal from engines and parts, graffiti removal from solvent resistant hard surfaces and chewing gum and stain removal from carpets. If used as a carpet spotter, it must be thoroughly rinsed to ensure all stain residues are removed. Contains D-Limonene and coconut-based detergents.

Technical

Colour	Yellow liquid
Odour	Orange/Citrus
pH	N/A
Dangerous Goods Classification:	
ADG Code	2319
CLASS	3, FLAMMABLE LIQUID
PACK GRP	III
